

**FOUR WHEELS MOVE THE BODY.
TWO WHEELS MOVE THE SOUL.**

BOSS PROTECTION

(Begins when manufacturer warranty ends)

*BOSS is our most comprehensive plan offering exclusionary coverage, providing maximum protection for your vehicle. All parts and components are covered **except the following:***

Battery; battery cables; lenses; sealed beams; light bulbs; xenon lighting systems; spark plugs and spark plug wires; exhaust system; emission components; non-metallic hoses; tires; wheels; wheel hubs; spokes; shock absorbers; brake rotors and drums; brake pads and shoes; clutch cable; clutch assembly; final drive belts; chains and sprockets; carburetor(s); paint; bright metal; trim; sheet metal; body panels; glass; moldings; upholstery; frames; chrome plating; antennas; speakers; air filters; oil filters; coolants and lubricants; tune ups; alignments; physical damage; adjustments and maintenance services.

BIKE PROTECTION

THROTTLE PROTECTION

(Begins when manufacturer warranty ends)

Provides the most cost-effective level of coverage for your vehicle. The extensive list of covered parts and components includes the following:

Engine – Engine block and/or replaceable cylinder sleeves; cylinder heads and valve covers; all internally lubricated parts contained within the engine; turbo charger; waste gate; intake manifolds; reed valve; reed block; engine mounts; oil pump; water pump; timing chain and gears; timing chain tensioner; timing cover; flywheel and flywheel ring gear.

Transmission – Transmission case (if damaged by a covered internally-lubricated part); all internally lubricated parts within the transmission case; and transmission mount.

Primary Drive – Primary drive case (if damaged by a covered internally-lubricated part); all internally lubricated parts (except clutch and hub assemblies) contained within the primary drive case.

Drive Axle (shaft driven only) – Transaxle housing and final drive housing; all internally lubricated parts of the differential housing; axle shafts; locking hubs; locking rings; constant velocity joints; universal joints; drive shafts; supports; retainers and bearings.

Front & Rear Suspension – Front fork tubes and front hub; all internally lubricated parts within the fork tubes and front hub; swing arm; swing arm bushings; and front and rear wheel bearings.

Steering – Steering stem; bushing axle; steering stem nut; steering stem shaft; upper and lower steering stem bearings and bushings and handlebar; steering rack; tie rod ends.

Brakes – Master cylinder; calipers; brake backing plate; hydraulic brake lines; brake hoses and metal fittings. The following ABS components are also covered: electronic control unit; wheel speed sensors/exciters; proportioning valves; high pressure hydraulic pump; electro-hydraulic pump; electro-hydraulic control valves and accumulator.

Electrical – Alternator; starter; starter drive; starter solenoid; voltage regulator; manually operated switches; cooling fan motor; wiring harness; ignition coil(s); rectifier; stator assembly; and magneto. The following (OEM only) parts are also covered: electronic fuel control module (ECM) and all fuel injection sensors; factory installed sound system (excluding speakers)

Gauges – All factory instrumentation (mechanical and electronic) and electronic instrument sensors. Light bulbs are excluded.

Fuel System – Fuel pump; fuel injectors; fuel pressure regulator; fuel lever sensors; oil injection pump; oil injection drive gear; and fuel petcock.

Seals and Gaskets – Leaking seals and gaskets on any covered part. Minor loss of fluid or seepage is considered normal and is not considered a mechanical breakdown.

See contract for complete details.

LIVE TO RIDE. RIDE TO LIVE.

BIKE PROTECTION

Additional Benefits

The following benefits are included in both the BOSS and THROTTLE Protection Plans:

Roadside Assistance – Sign and Ride benefits include towing, jump starts, tire changes (with your inflated spare), vehicle fluid delivery, lockout assistance, and Concierge Service.

Alternate Transportation – Bike Protection will reimburse you for a rental vehicle at the rate of up to \$40 per day for up to 5 days, and a maximum of \$200 per mechanical breakdown. The total dollar limit is increased to a maximum of 10 days if repairs are delayed due to the manufacturer's failure to deliver replacement parts, and we are supplied with manufacturer's documentation of the backordered part.

Unlimited Number of Claims – The number of claims on your vehicle is unlimited. See your contract for details on payable claims.

Nationwide Coverage – Your Bike Protection plan is honored in both the United States and Canada. If you happen to be traveling, you can have confidence that repairs of a covered component will be taken care of for you. Just call our toll-free number for prior approval.
