# PROPEL YOUR FINANCES TO SMOOTH WATERS

## STANDARD

**Engine:** Cylinder block and internally lubricated parts contained within the cylinder block, to include: Engine head(s), rocker covers, timing gear cover, crankshaft, main bearings and connecting rods; rod bearings, pistons, piston rings and wrist pins; camshaft and bearings; rocker arms, valves, valve springs, guides and seats; supercharger, valve push rods, lifters, flywheel and ring gear; harmonic balancer, reed valve, reed blocks, timing chain or belt; timing gears, distributor housing, shaft and gear; oil pump, oil pan, base plate, adapter plate, intake manifolds, exhaust manifolds, risers, elbows, and circulatory water pump.

**Transmission, Gear Cases, and Drive Shaft Housings:**

Internally lubricated parts contained within the transmission or gearcase; the case, if damaged beyond use as a result of a covered part breakdown; universal joint yokes, socket, cross and bearings; and internally lubricated parts contained within the drive shaft housing, if damaged as a result of a covered part breakdown.

**Steering:** Cables, steering control helm, rack and yoke; swivel pin and arm; power steering cylinders and pumps; and joystick controls.

**Transom Assembly:** Inner transom plate, Gimbal bearings, Gimbal housing, Gimbal ring; and bell housing, if damaged as a result of a breakdown of a covered part.

**Trim System:** Trim cylinder(s), trim motor, trim manifold or pump (excludes seals & gaskets); trilobe pins, trim cylinder(s), trim motor, and trim manifold or pump (excludes seals & gaskets).

**Fuel System:** Carburetor body, compressor, fuel cooler, flame arrestor, and manifold body.

## ELITE

**ELITE COVERAGE includes parts listed below PLUS all parts listed in the STANDARD Program:**

**Electrical and Ignition:** Wire harness, starter, solenoid, circuit breaker, alternator, voltage regulator, digital and analog instruments/gauges; switches, ignition coils, stators, triggers, switch boxes, ECU box, sensors, warning horns and signals; EFI electrical components, IAC, air injectors, flywheel magnets, electronic throttle control, electronic boost control, electronic shift control, and advanced sound control module.

**Trolling Motor:** Circuit board(s), steering motor/transmission and components (non-wear items only); pinion or steering gears; shaft, magnets, armature, wiring harness, mount, foot pedal, GPS module, hand FOB, LED indicator, and sonar/depth transducer.

### ADDITIONAL BENEFITS

**HOIST/HAUL OUT/ON WATER TOW-IN:**

We will pay up to \$400 per claim occurrence for charges necessary to perform approved repairs to covered vehicle on non-trailerable boats.
