Electric Vehicle Protection
Vehicle Service Contract

YOUR PURCHASE WAS SMART

Purchasing an electric vehicle means:

- Saving money on fuel
- Convenience of using HOV toll-free lanes in some states
- Creating zero tail pipe emissions

Vehicle service contracts also offer savings and convenience when you have an unexpected repair.

SAVE SOME GREEN

Protection plans sold today cover more than 2,000 vehicle parts that aren't in electric vehicles.

Most manufacturers provide coverage for an EV battery up to 8 years, or 100,000 miles. MAP Electric Vehicle Protection provides coverage of up to 11 years and 150,000 miles.

MAP Electric Vehicle Protection was designed exclusively to:

- Protect only the parts that pertain to your vehicle
- Protect your budget from unplanned expenses
- Protect you from the added expense of repairs of all assemblies, parts and the battery installed by the manufacturer on your vehicle

THIS EXTENSIVE COVERAGE PROTECTS ALL MECHANICAL AND ELECTRICAL COMPONENTS EXCEPT:

Media control systems, wall connector, mobile connector, all future connectors, and all related charging adapters, environmental waste charges and/or disposal fees, shock absorbers, alignments, wheel balances, tires, wheels, belts, hoses, brake rotors and drums, brake pads and shoes, lenses, sealed beams, light bulbs, head lamps, tail lamps, high mount stop lamps, 12 volt battery, battery cables, paint, carpet, bright metal, trim, sheet metal, bumpers, body panels, glass, physical damage, moldings, upholstery, weather strips, canvas top, vinyl top, fabric top, fiberglass top, air and water leaks, wind noise, squeaks and rattles, coolants and lubricants, tune ups, and scheduled maintenance services.
