

Vehicle Service Contract

YOU LIKE HAVING CHOICES!

Your choices reflect who you are, and they fulfill your needs.

Well, your unique needs are met when you choose a MAP Vehicle Service Contract.

MAP provides you with the right coverage for your driving habits and at the right price for your budget.

You won't pay the same as the person next door that has an older vehicle and driver farther than you do every day.

Choose your coverage based on the miles you drive

Choose the deductible that suits your budget

Choose the Star coverage that's best for you

IT'S YOUR CHOICE.
Choose a MAP Vehicle Service Contract!

covered with
4 Star
coverage

4 STAR COVERAGE

WHAT'S NOT COVERED

Exhaust system, catalytic converter, manual clutch assembly, manual clutch pedal, shock absorbers, alignments, wheel balances, tires, wheels, fan belts, accessory drive belts, spark plugs, filters, flexible hoses; brake rotors and drums; brake pads and shoes; lenses, sealed beams, light bulbs, head lamps, tail lamps, high mount stop lamps, battery, battery cables, spark plug wires; distributor cap and rotor; paint, carpet, bright metal, trim, sheet metal, bumpers, body panels, glass, physical damage, moldings, upholstery, weather strips, canvas top, vinyl top, fabric top, fiberglass top; air and water leaks; wind noise, squeaks and rattles; coolants and lubricants; refrigerants, tune ups, and maintenance services.

SEALS and GASKETS leaking seals and gaskets on any covered part listed above. Minor loss of fluid or seepage is considered normal and is not considered a mechanical breakdown.

Guess how
many parts ARE
covered with your
4 Star coverage!

3 STAR COVERAGE

ENGINE – cylinder block, cylinder heads, all internally lubricated parts, turbocharger, supercharger, harmonic balancer; timing gear, chain and belt; timing cover; intake and exhaust manifolds; valve covers, oil pan, engine mounts, belt tensioners, cam gear bolt, harmonic balancer bolt, and head bolts.

TRANSMISSION – transmission case, all internally lubricated parts, torque converter, flywheel/flexplate, vacuum modulator, transmission mounts, transmission cooler, transmission oil pan, and transmission control module (TCM).

TRANSFER CASE - transfer case, all internally lubricated parts, 4X4 actuator, and 4X4 sensors.

DRIVE AXLES – drive axle housing, all internally lubricated parts, drive shafts, universal joints, constant velocity joints (excludes boot failures), axle bearings, center support/carrier bearings, and differential cover.

AC / HEATING (includes only factory or dealer installed equipment) - condenser, condenser fan/motor, compressor, compressor clutch, compressor pulley, compressor drive motor, evaporator, accumulator, drier, expansion valve, idler pulley, operated A/C controls, electronic A/C control module, heater core, and blower motor.

SEALS and GASKETS leaking seals and gaskets on any covered part listed above. Minor loss of fluid or seepage is considered normal and is not considered a mechanical breakdown.

3 STAR COVERAGE

SUSPENSION – electronic stability control system, traction control system, control arms, control arm shafts, and control arm bushings, McPherson struts, wheel/hub bearing assembly; spindles and supports; ball joints; radius arm and bushings; stabilizer bar; links and bushings; torsion bars, coil springs, leaf springs, and suspension air bags.

STEERING – steering gear/rack, all internally lubricated parts, power steering pump, electric steering motor, tire pressure monitoring system, pitman arm, idler arm, tie rod ends, drag link, steering column shaft, and column couplings.

COOLING – water pump, radiator, cooling fan, cooling fan motor, fan clutch, radiator fan shroud, and coolant recovery tank.

FUEL SYSTEM – fuel delivery pump, fuel injection pump, fuel injectors, fuel tank, metal fuel lines, fuel pressure regulator, fuel sending unit, fuel gauge, idle air control (IAC) module/valve, engine control module (ECM), and fuel injection sensors.

BRAKE – master cylinder, power brake cylinder, vacuum assist booster, calipers, wheel cylinders, compensating valve, anti-lock brake system (ABS), hydraulic lines and fittings, and parking brake actuator.

ELECTRICAL – alternator, ignition coils, horns, distributor, starter motor,

starter solenoid, starter drive, windshield wiper motors, windshield wiper linkage, windshield washer pump, power seat motor, satellite antenna, power window motors, window regulators, power door lock actuators, power trunk release, wiring harnesses, ignition starting system, all manually operated switches, and driver information gauges and displays.

TECHNOLOGY – entertainment systems (mfr. installed), reverse camera system, reverse sensing system, proximity sensors, blind spot detection, message center, forward collision warning system, cruise control, and adaptive cruise control.

COMFORT/CONVENIENCE (manufacturer installed only) – keyless entry system, memory seats, sun/moon roof motor, convertible top motor, manual sunshade, hands free trunk open system, and power liftgate/doors.

IF YOUR VEHICLE IS A HYBRID, THE FOLLOWING LIST OF ADDITIONAL COVERED PARTS IS ALSO INCLUDED IN THIS COVERAGE.

HYBRID VEHICLES – control systems, cooling systems, motor/generator/traction motor and all internally lubricated parts, on-board charger, on-board charger connector, on-board trickle charger cable, power invertors, and regenerative braking systems components.

2 STAR COVERAGE

ENGINE – cylinder block, cylinder heads, all internally lubricated parts, turbocharger, supercharger, harmonic balancer; timing gear, chain, and belt; timing cover, intake and exhaust manifolds, valve covers, oil pan, engine mounts, and belt tensioners.

TRANSMISSION – transmission case, all internally lubricated parts, torque converter, flywheel/flexplate, vacuum modulator, transmission mounts, transmission oil pan, and transmission control module (TCM).

TRANSFER CASE – transfer case, all internally lubricated parts, and 4X4 actuator.

DRIVE AXLES – drive axle housing, all internally lubricated parts, drive shafts, universal joints, constant velocity joints (excludes boot failures), axle bearings, and center support/carrier bearings.

A/C HEATING (includes only factory or dealer installed equipment) – condenser, condenser fan/motor, compressor, compressor clutch, compressor pulley, compressor drive motor, evaporator, operated A/C controls, and electronic A/C control module.

SEALS and GASKETS leaking seals and gaskets on any covered part listed above. Minor loss of fluid or seepage is considered normal and is not considered a mechanical breakdown.

2 STAR COVERAGE

SUSPENSION – control arms, control arm shafts, control arm bushings, McPherson struts, wheel/hub assembly; spindles and supports; radius arm and bushings; stabilizer bar links and bushings; torsion bars, coil springs, and leaf springs.

STEERING – steering gear/rack, all internally lubricated parts, power steering pump, electric steering motor, steering column shaft/couplings, pitman arm, idler arm, tie rod ends, and drag link.

COOLING -- water pump, radiator, cooling fan, cooling fan motor, and fan clutch.

FUEL SYSTEM – fuel delivery pump, fuel injection pump, fuel injectors, fuel tank, metal fuel lines, fuel pressure regulator, fuel sending unit, fuel gauge, idle air control (IAC) module/valve and motor, engine control module (ECM), and fuel injection sensors.

BRAKE – master cylinder, power brake cylinder, vacuum assist booster, calipers, wheel cylinders, compensating valve, anti-lock brake system (ABS), hydraulic lines and fittings, and parking brake actuator.

ELECTRICAL – alternator, starter motor, starter solenoid, starter drive, power seat motor, satellite antenna power window motors, window regulators, windshield wiper motors, power door lock actuators, and driver information gauges and displays.

I PICKED
THE PERFECT
COVERAGE
FOR ME

STAR COVERAGE

ENGINE – cylinder block, cylinder heads, all internally lubricated parts, turbocharger, supercharger, harmonic balancer; timing gear, chain, and belt; timing cover, intake and exhaust manifolds, valve covers, and oil pan.

TRANSMISSION – transmission case, all internally lubricated parts, and torque converter.

TRANSFER CASE – transfer case, all internally lubricated parts, and 4X4 actuator.

DRIVE AXLES – drive axle housing, all internally lubricated parts, drive shafts, universal joints, and constant velocity joints (excludes boot failures).

SEALS and GASKETS leaking seals and gaskets on any covered part listed above. Minor loss of fluid or seepage is considered normal and is not considered a mechanical breakdown.

ADDITIONAL BENEFITS

ROADSIDE ASSISTANCE - Benefits include towing, flat tire changes, jump starts, fluid delivery, and lockout assistance. MAP covers up to \$100 per occurrence (less the cost of parts or fluids required).

TRIP INTERRUPTION - You also have the added benefit of expense coverage for overnight stays and meals incurred if you are stranded due to the failure of a covered breakdown and you are more than 100 miles from your home. MAP provides up to \$125 per day (maximum of 5 days) for trip interruption.

RENTAL REIMBURSEMENT - MAP provides up to \$40 per day (maximum of 5 days) for alternate transportation if your vehicle is in a repair facility undergoing repairs for a covered breakdown. For 4 Star coverage only, the total dollar limit is increased to \$560 or up to 14 days if repairs are delayed due to the manufacturer's failure to deliver replacement parts.

NATIONWIDE COVERAGE - MAP is honored in both the United States and Canada. If you happen to be traveling, you can have confidence that repairs of a covered component will be taken care of for you. Just call our toll free number for prior approval.

PROTECT YOURSELF AGAINST THE HIGH COST OF UNEXPECTED REPAIRS.

*Based on national retail averages of 2020 domestic vehicles.

Mechanical Breakdown Coverage

Unexpected car repairs always come at the worst time, and usually when you can't afford it.

A MAP vehicle service contract provides you with the coverage you need when you need it most.

Add coverage and subtract the headache and inconvenience of expensive repair costs.

MAP keeps you going and protects your time and money!
