Vehicle Service Contract

Driving off the lot with a manufacturer's warranty feels good, right?

And, you feel great because even your most common wear and tear items are covered? **Wrong!**

Your manufacturer's warranty only offers limited coverage on the items that will inevitably wear out from normal daily driving. **MAP Term Care Protection** provides coverage for some of the items that are excluded from your manufacturer's warranty.

Need a new battery? *You're covered!*

Need new wiper blades? *Come on in!*

And, you pay no deductible.

Now, that's coverage!
