

MULTIPLY
THE POWER
OF YOUR
WARRANTY.

Two Times the Miles.
No Hidden Fees. No Kidding.

You do the math: Add coverage and subtract repair costs.

It all adds up to awesome savings! Choosing a ride with complimentary POWER x2 protection **doubles** your warranty's powertrain coverage and protects you from mega repair bills.

Our complimentary, double-duty, POWER x2 powertrain protection covers you for two times the miles, providing coverage that:

- X** *Helps you avoid – rather than absorb – the shock of unexpected costs*
- X** *Doubles the mileage beyond your manufacturer's warranty*
- X** *Provides superior protection, even as your vehicle ages*
- X** *Enables you to keep your car on the road longer, knowing your extra coverage will take care of you*
- X** *Provides roadside assistance and rental reimbursement benefit*

You will be provided with coverage on all assemblies and parts on your vehicle that are specifically covered by the original manufacturer's powertrain warranty with the exception of what is listed under the "Exclusions" section of the POWER x2 Limited Powertrain Protection contract.

POWER x2 is an independent program not associated with the manufacturer or their powertrain coverage provisions.

**A one hundred dollar (\$100) deductible per Repair Visit will apply.
See contract for complete details.**
