

Help Your Customers Save Hundreds Of Dollars On Automotive Repairs with Simplicity Repair Protection®

Simplicity Repair Protection is a vehicle repair and assistance program designed by EFG Companies that offers your customers two unique value added services which include Roadside Assistance and Repair Protection. Your company can now expand its product listings by offering Simplicity Repair Protection to existing and potential customers through your company's database and existing relationships.

SIMPLICITY REPAIR PROTECTION

A one-of-a-kind service, Simplicity Repair Protection provides your customer with a repair service concierge. Customers call Simplicity when their vehicle is in need of repair. Simplicity then supports them by providing roadside assistance (when applicable), local repair facility options and negotiating repair costs on behalf of the customer.

Simplicity Repair Protection leverages close to 40 years of EFG's automotive servicing experience, ASE certified adjusters and over 33,000 repair facilities nationwide to ensure customers are getting the right service for the right price.

Customers typically save hundreds of dollars on most major auto repairs.

ROADSIDE ASSISTANCE

Roadside Assistance is a high value-add service and is uniquely positioned to pay for the roadside services directly.

Your customers do not incur an out-of-pocket expense.
